OOOPS!!! 1/27/83

Almost forgot!

How nice it wa of Cissy, you or both for her to bring not a package of paper we could use in making xeroxes for you but a case of 5,000 - and it works!

We sure appreciate this. As will the nice folks, mostly old folks, whose taxes Lil does and copies.

Need I say how grateful Lil is not to have to pass each sheet through by hand?

Sorry I almost forgot. I've been back on responses to federal lies in litigation, mine and others Jim sent me.
